
CESI Computer Science Community of Practice

The Computers in Education Society of Ireland (CESI) is the teacher professional network for anyone with an interest in the potential of technology to enhance the teaching and learning experience for all involved in education. Earlier this year CESI welcomed the announcement of the intended introduction of Computer Science (CS) as a Leaving Certificate Subject. CESI members are also involved in the Junior Cycle Short Course in Coding, others are developing Computational Thinking in Primary and there is representation from 3rd level too.

Meetings this term:

JANUARY

- Wed 31: Mayo Education Centre

FEBRUARY

- Thu 1: Kildare Education Centre
- Tue 6: Drumcondra Education Centre
- Wed 7: Waterford Teachers' Centre
- Thu 8: Cork Education Support Centre
- Wed 21: Athlone Education Centre
- Thu 22: Errigal College, Letterkenny, Donegal
- Mon 26: Cork Education Support Centre
- Tue 27: Drumcondra Education Centre
- Wed 28: Mayo Education Centre

MARCH

- Wed 7: Athlone Education Centre
- Thu 8: Kildare Education Centre
- Tue 13: Donegal Education Centre
- Wed 14: Mayo Education Centre
- Thu 15: Waterford Teachers' Centre

Why should you come to a local meeting?

The initial regional events will give you a chance to address personal needs, build relationships with other stakeholders and discuss issues relating to the development and practice of computing in education. We will also workshop an activity to develop personal knowledge of computing and computational thinking.
